Fuse holder for stripe fuses to DIN 43560
Catalogue B101.en
SH-xP  1-, 2- and 3-pole fuse holder for stripe fuses to DIN 43560

Fuse holders for stripe fuses to DIN 43560 are designed for use in battery powered vehicles covering voltages up to 80 V. Fuse ratings may range from 50 A to 425 A.

We offer fuse holders admitting 1, 2 or 3 stripe fuses. Tie bars for 2 or 3 poles are available.

The fuse holders are designed for a wide range of ambient temperatures up to 70°C max.

Hexagonal screws, bolts and washers are made from nickel-plated brass.

Copper sheet tie bars are available for our 2 and 3 pole fuse holders.
